FOREWORD By Captain Irata:

Treasurer's Report *By Gregory Leitner*

Can't talk about what
happened at the February
SPACE meeting as I could not
attend. I had just found out
the Saturday before the
meeting that my grand-
daughter was going to State
for both kick-and-jazz. I never

saw such happiness as I did
when they were told that they
had won the Jazz competition
in Albert Lea that Saturday.
They beat out thirteen other
teams in their Region 1
competition and took third
place in kick, which also got
them to State.

They hadn't gone to State in
kick since 2001, and they were
shocked when they took the
final State Section 1 pick.

Last year they went to State
but did not make it to the
finals in the Jazz competition.
This year they made it to the
finals in jazz and ended up
sixth, which they were quite
satisfied with. In kick they
took ninth, but did not make
it to the finals, but were just
happy being one of the top
twelve teams that made it to
State. They lose four seniors
and since they had no juniors
on this team.

It looks like the sophomores,
like my grand-daughter, will
have to carry the weight for
the next two years.

The Club has a balance of
\$201.54 after paying \$300.00
for the 2015 rental. So we are
in good shape for this year. I
haven't paid Nolan for the
SPACE web-site since August
as he has not been to a
meeting since then. I also
talked to the secretary at
Falcon Heights and they
agreed to only charge us the
old rate for 2016 for the room
rental.

Thanks go to Glen for
agreeing to accept the keys for
the February meeting. I know
Steve Peck was under the
weather so I don't know how
many of you were in
attendance, but I will surely
be there in March.

Secretary's Report *By Steven Peck*

HELLO WORLD!

Well, here is another
Secretary's Report, this time
for March 2016. Hey, I know I
was not there. Actually, I was

fighting a nasty hacking cough and chest cold. I guess it has been going around. Sorry I could not make to the last meeting, but I intend to be at the next one. So, I will see you there on Friday, March 11, 2016. I hope that it is a good one. Thanks.

NOTE: Since I could not get the DOMs for February, I cannot do the February DOM review in the March newsletter. I apologize for the inconvenience. I will do two DOM Reviews for the 8-bit in March for the April newsletter, however. So, keep your eyes peeled and I will do that when the times comes. It will all pan out then. Again, thanks for your patience.

In the words of my favorite comic book artist...

EXCELSIOR!

8-bit DOM Report

By Steven Peck

As stated in the Secretary's Report earlier, there will be two DOM Reports for the April 2016 Newsletter.

There will be no DOM Report this month. I apologize for the inconvenience. Thank

Final Thoughts in Closing

By Steven Peck

I am thinking about expanding the Newsletter soon, to make it look even better than before.

I think that it needs some more tweaking because I want it to be more attractive to people. I was thinking about putting in some Atari-related comics and, maybe, reviews of Atari games for the platform systems as well.

I am thinking about doing this not just as filler for the Newsletter, but to make it

more grand and a much more pleasant reading experience. I feel it needs more, and if anybody wants to add his two cents to that, you can reach me on my e-mail at any time.

My contact e-mail is on the last page of the Newsletter. Please feel free to contact me at any time, and I will listen to any and all ideas on how to improve the Newsletter.

Also, please feel free to submit ideas on how to make SPACE better for everybody involved as members of the Club.

I duly appreciate any and all feedback. I will post any and all of your great ideas in here. Thanks for reading and enjoy the future editions of this Newsletter.
